

WHO WE ARE

Taskeen AlAoula Real Estate launched in September 2015. It aids & assists clients in taking the right decision for buying, selling & renting of Residential, Commercial, and Retail properties. Taskeen AlAoula Real Estate is dedicated to provide a full range of services to buyers, sellers and local investors. We aim to deliver the right solutions to the clients in the one stop shop manner through complete understanding of their needs and constraints with a view to exceeding their expectations.

WHO WE ARE

In 2017, we upgraded our company's services by bringing it up to date and developing the one and only 'Realtorkw' app.

VISION

We seek to become the easiest, safest, and the most convenient choice for anyone considering buying, selling or renting and Property Management in Kuwait.

MISSION

Our mission is to provide Kuwait with the first real estate agency that listens to the client and his needs along with a loyal customer base, professional team, and sterling reputation.

Why choose Realtorkw ?

- 1 - Well-built networking.
- 2 - Strong and experienced property management, marketing, and leasing team
- 3 - Efficient and transparent leasing activities.
- 4 - Increase the owner's assets value.
- 5 - Large data base.
- 6 - Simplicity of rent collection through our application.
- 7 - We show integrity, carry out our job with passion, respect one another, show the utmost professionalism and work as a team to meet our client's needs.

OUR SERVICES

Property management services are comprehensive and efficient
With many years of experience in this field, this service includes:

- Promoting and renting suitable vacant units upon customer request through a studied marketing plan.
- Ease of rent collection.
- Provide cleaning, maintenance, security services.
- Provide customers with the Kuwaiti real estate market performance, periodic reports, and analytical statistics through the application.

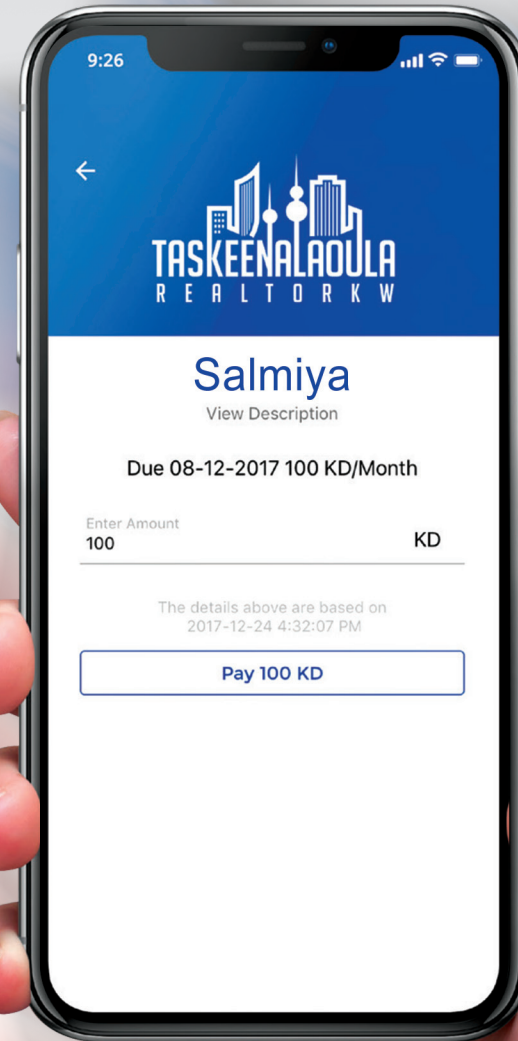

REALTORKW

Taskeen Al-Aoula has created an application
It is the first of its kind in the real estate market, offering online
property management services.

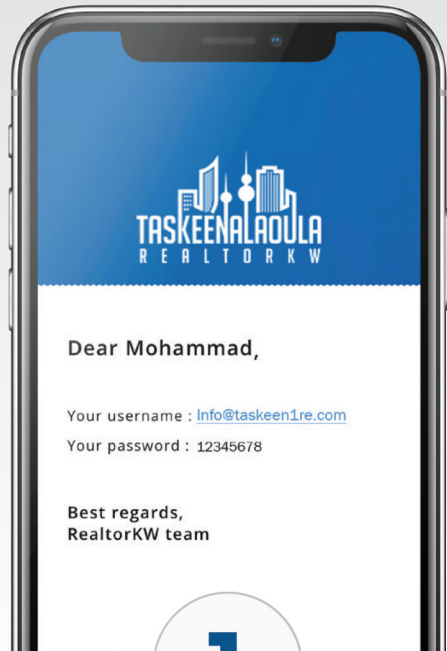

The application serves both landlords and tenants

Realtor application helps
property managers streamline
daily tasks in rent, vacancy and
maintenance cycles, you can
manage over 1 million units
through the app.
